

化学科講演会のお知らせ

講演題目：Quest for the Excitement in the
Chemical Synthesis at the Interface of
Chemistry, Biology and Medicine

講師：尾島 巖 教授

(Stony Brook University, USA)

日時：10月28日（月）

午後4時30分より

場所：南7号館7階セミナー室

Abstract: This lecture will present a perspective on the evolution of my research interest and strategy by exemplifying my fruitful endeavor in the exploration of synthetic organic chemistry at the multidisciplinary interface of chemistry, biology and medicine.
